All-in-one Classroom Solution

Organised and manageable for any teacher!

STEM Games bring learning to life through the excitement of classroom competitions. Game Fields assemble quickly in a variety of shapes and sizes, perfect for any classroom layout. Includes extra spare parts, tools, cables, chargers, and posters.

Curriculum Linked Resources

All curricular resources are aligned to educational standards. From STEM Lab Units, your online teacher's manual, to Activities designed for independent student use – we offer the support you need to teach with confidence.

Free Curriculum Included

Lessons cover a range of subject areas, making cross-curricular STEM and coding connections easy and fun! Bring your STEM or Makerspace to life or integrate into core subjects like Computing or Engineering - our curriculum takes the guesswork out of implementation.
