

# ANDRITZ SCHULER PRESSES UK LTD

Servicing the pressing industry in the UK

# ANDRITZ

# ANDRITZ Schuler UK. Unique Equipment.

Welcome to ANDRITZ Schuler UK. As a technology leader in forming technology, ANDRITZ Schuler supplies equipment, dies, process know-how, and services for the entire metalworking industry.

## **ANDRITZ SCHULER UK WORKSHOP.**

Our 1,100-square-metre workshop is equipped with over-head cranes with 25 tonnes of lifting capacity. The 70-meter-long workshop allows us to set up entire press and automation equipment including feed lines and levellers for run off press systems exactly in the same fashion as they will be installed on our customer premises.

## **CLUTCH AND BRAKE REPAIR CENTRE.**

ANDRITZ Schuler UK currently handles between 15 and 20 Clearing, Wilkins & Mitchell clutch and brake refurbishments per year. These refurbishments range from straightforward re-seal and part replacement to a full strip down and inspections with all parts and assemblies reworked back to original as a new specification. Once your clutch and brake unit has been repaired, we also offer a full test on our universal test rigs in our facility.

## **SERVICING YOUR TORC PAC.**

No one is equipped to service your Torc Pac better than ANDRITZ Schuler UK. We have developed a clutch maintenance program to prevent unpredicted downtime of your Torc Pac equipped press.

### **Our customers can choose from the following Torc Pac options:**

- Repair & Return
- Exchange & Rebuild
- Replacement
- Conversions

Modernization of Wilkins & Mitchell press.

## **PRESS & PRESS LINE REFURBISHMENT.**

Due to the many years of Service and Sales experience within the metal pressing industry, ANDRITZ Schuler UK's Field Service and Design Team is able to provide our customers solutions to rebuild and refurbish presses, press components and press automation equipment either in-house in our own facility in Walsall or on site at the customer's facility.

# Spare Parts, Press Ancillary and Automation Equipment.

ANDRITZ Schuler UK offers the best spare parts service in the press industry.

## HIGH QUALITY SPARE PARTS.

We supply spare parts based on original equipment drawings and manufacture those spare parts here in England whenever possible.

We offer spare parts to the original equipment specifications, providing optimum performance and durability of your equipment.

## THE ANDRITZ SCHULER COMPETENCE

Offering customized cutting-edge technology in all areas of forming – from the networked press to press shop planning. In addition to presses, our products include automation, dies, process know-how and service for the entire metalworking industry. Within the ANDRITZ Metris platform, we combine digital solutions for networking forming technology and develop them continuously to further improve line productivity and availability. For battery production in gigafactories, we provide equipment and service in many process steps specially for cell assembly and formation. Our customers include automotive manufacturers and suppliers, as well as companies in forging, household appliance and electrical industries.
