Type S Spiral — Industrial Supply Dispenser

High-Capacity, High-Reliability

VENDED Type S Spiral delivers robust, secure dispensing for industrial consumables, PPE, and tooling where uptime and accountability are critical. Its modular spiral layout and connected

intelligence make it ideal for busy manufacturing and maintenance environments.

Smart, Connected Control

- Configurable lanes for mixed package sizes — no tools required.
- 10.1" touchscreen with intuitive guided workflows.
- Multi-access options (PIN, badge, barcode, or magstripe).
- LED-lit interior with oversized delivery port for bulky items.
- Real-time consumption data and alerts via VENDED Cloud.

Built for Integration

Designed to operate as a standalone dispenser or as part of a wider VENDED network with lockers and refrigerated units, enabling total control of onsite inventory.
